

## WE NEED YOUR HELP!!!

The PTO would like to purchase a water bottle fill station for the lobby of the school. This station would provide the students and staff a place to fill their water bottles with filtered fresh water to drink.

The unit will cost around \$2000. We have \$785 dollars so far just from Box Tops you have sent in. Our next mailing for Box Tops will be on March 1st. We are asking you to send in all your Box Tops. Go through your cupboards and ask your family, neighbors, and friends for their help.
