

Tidioute Community Charter School

Providing a World Class Education in a Small Town Environment

TCCS July 13, 2020

Dear Parent/Guardian,

Welcome back to TCCS for the 2020-2021 school year. Covid-19 has made it necessary for us to rearrange rooms and to space student desks six (6) feet apart in all TCCS classrooms. In addition, students, employees and visitors will need to follow regulations concerning masks, face shields, moving around the school and, of course, new bus/van regulations this year. Details about these regulations will be presented to you in August. For now the TCCS Return To School Plan is posted on the TCCS website. It has answers to many specific questions in the RTS Plan.

Please be assured that the safety and welfare of everyone is our number one concern at TCCS. We will educate all 305 students daily at TCCS or a “full in person “ return has been approved by the TCCS Board of Trustees. This mailing has additional information for you. Please read all of what is enclosed.

We look forward to starting school on August 20, 2020.

Sincerely,

Doug Allen,
CEO TCCS
