

Tidioute Community Charter School

Providing a World-Class Education in a Small Town Environment

“Working Together to Accomplish More”

Many teachers at TCCS maintain a Google Classroom page. These pages often contain a wealth of information about the day to day activities in the classroom. They are designed for students and parents to access items such as: assignments, class notes, and/or activities.

If you would like access to your student’s Google Classroom, please contact the classroom teacher using their school email address. They can be found on their classroom webpages and on the “Contact Us” page at tidioutecharter.com.
