**Procedures to accept Letters of Interest at TCCS  
for the 2021-2022 school year**

**DUE TO COVID** we will accept Letters of Interest at the **TCCS Foundation House at 247 Main Street** (The green house next to the school behind the playground) **from 7:30am until 9:00am on Monday, March 1st.** We ask that you wear a mask and space yourselves 6' apart to maintain safety. Letters of Interest that are submitted in person or by a designated person will be given first preference over those submitted by fax, email (hcass@tidioutecharter.com) or by US mail. These applications will be date stamped when they are received. If multiple applications are received by any of these types of delivery at the same time they will be date stamped in random order. If you arrive prior to 7:30 am you will need to form a line. We will not accept applications submitted before 7:30am on March 1st, 2021. After 9:00 am, we will accept applications in the TCCS lobby on the Jefferson side of the building. TCCS can only accept 305 applications for enrollment for the school year due to our enrollment cap. Students that are currently enrolled are automatically re-enrolled. Students that graduate or leave TCCS open up enrollment spots. These are the spots that we fill with our new applications that are submitted. Our “Letter of Interest” period runs from March 1st (or the first day of school following March 1st) through May 1st of the 2020-2021 school year prior to the year of enrollment. Preference will be given to siblings of currently enrolled students and then to students who reside in Warren County School District. TCCS will hold a public meeting lottery to fill the remaining enrollment openings. A wait list will be created after the lottery from the applications received from students who are Warren County residents according to the date and time stamp followed by students who reside in Forest or Titusville School District or any other district according to their date and time stamp. No preference will be given to any application submitted after May 1st. Students will be put on a wait list in order of when applications are received. You must submit a new Letter of Interest each year. They do not transfer year to year.
