

Tidioute Community Charter School

Providing a World -Class Education in a Small Town Environment

“Working Together to Accomplish More”

Update: 9/1/21

Tidioute Community Charter School will begin the mask mandate beginning tomorrow, [Thursday, September 2, 2021](#). The Pennsylvania Department of Health and Governor Wolf have mandated that masks shall be worn by all faculty, staff, students, parents, guardians, and visitors inside all school buildings and on transportation regardless of vaccine status. Students do not need to wear masks in Physical Education classes if they are 6 feet apart in class, during breakfast, lunch, or outside. This is a State Health Department mandate that we must follow in order to continue to have students learn in person, which we know is how our students learn best.

You can view the direct order from the State by clicking below:

[Order of the Acting Secretary of the Pennsylvania Department of Health Directing Face Coverings in School Entities](#)

Thank you for your continued support and cooperation during these unique times.
