Dear Parent/Guardian,

We are making an important announcement today.

The TCCS Board of Trustees and administration agreed to follow the recommendations of the Pennsylvania Department of Health on schools and covid 19 . We have made the decision to move to four days of remote-learning for **grades 6-12 ONLY**. So, tomorrow Tuesday, September 14th, 2021 will be our first day of remote learning in **grades 6-12 ONLY** and we plan to RETURN to in-person learning on Monday, September 20th, 2021.

As of today, TCCS has had 17 positive COVID cases over the past 10 day period. During the remainder of this week, we are going to re-evaluate our COVID safety procedures. These 17 reported covid cases have been primarily identified and reported through the PA Department of Health for families of students in in grades 6-12.

Grade K4 through grade 5 will continue to report to school daily.

Students in grades 6-12 will have meal bags available TODAY to take home.

Tidioute Community Charter School is very thankful for the support of the students and staff to ensure that we are keeping everyone safe and healthy. Please do not hesitate to reach out to TCCS if you have any questions at 814-484-3550.

Parents/students with special concerns can email Melissa Mahaney (mmahaney@tidioutecharter.com) or Maggie McMahon (mmcmahon@tidioutecharter.com). Student health questions may be directed to Susan Shiley (sshiley@tidioutecharter.com) Attendance questions may be directed to Ashley Nansen (anansen@tidioutecharter.com)

Again, TCCS follows the recommendations of the Pennsylvania Department of Health. Thank you for your support of our school.
