Student Drop off and Pick Up

Dear Parents or Guardians,

During this Covid-19 school year the student drop off and pick up will change.

The start time for student drop off is 7:20 am. No students will be allowed into the building until 7:20 am. There will be staff at both entrances, Main St and Jefferson St, to help maintain social distancing.

There will be some students moving to different bus/vans to accommodate the CDC recommendations for schools.

It is strongly recommended that students wear a mask on buses and vans.

When the students walk into the entrances their temperatures will be checked. If their temperature is 100.0 degrees or higher, they will go to the nurse's office and the parent or guardian will be called to pick them up.

No parent or guardian will be allowed inside the building to drop off or pick up their kid(s). You will be asked to stay in your vehicle during this time.

The departure time will start at 3:11 pm.

The students that ride vans will be called first to leave.

The buses will be called according to bus number.

Then all the walkers will be called to leave by grade level and then all the parent pick up students will be last.

Thanks for all of your support,

Mr. Tony Shirey
Transportation Coordinator
