

 *Merry  
Christmas*

## Christmas Collection for the Troops

The National Elementary Honor Society is running our 8<sup>th</sup> annual Christmas Collection for the Troops. We are working with the Ladies Auxiliary to send items overseas for the holiday season. The collection will run from **November 17th – December 22<sup>nd</sup>**. We are asking that each class bring in items to donate. There will be a box placed in each classroom where the students can place the items they bring in. The class with the most donations will win a special prize. All donations are very much appreciated!!! Thank you so much for your participation!

Thank You ☺

National Elementary Honor Society
