

Tidioute Community Charter School

Providing a World -Class Education in a Small Town

“Working Together to Accomplish More”

September 1st, 2020

Dear Parents/Guardians,

We want to thank all of our students and families for being so compliant with all of the new regulations and rules that have been put in place due to COVID-19. We know this is a very trying time for everyone.

The Teachers and Staff at TCCS are very excited to have our students back in the classroom. We could not be prouder of how our students are handling all of these changes and adhering to the rules. We know this is difficult, but want to keep everyone safe so we are able to remain in the classrooms.

Due to COVID-19 regulations we are unable to use our water fountain. We encourage students to bring a water bottle to school. We have bottle fill stations in the building that students are able to use to fill their water bottles. We recommend that parents write their child's name on the bottles so it can be returned to the student if the bottle gets lost.

Items that are not identified or labeled with the students name are put in our lost and found area. Remind your child to check this area in the lobby if they have lost an item. This time of year as the weather starts to change we gather a lot of jackets, sweaters, and hoodies. Students take them off as the weather warms up during the day, and they get left behind. We will take a picture of the lost items weekly and post it on the TCCS Facebook page and school website. You can also call the office if your child is missing an item and we can check for you.

We also want to remind parents to return paperwork that has been sent home. Every student needs to return an enrollment agreement, annual updates form, handbook form, computer use form, and a pink medical form from the nurse's office. These items were sent home with students or mailed to your home in August. If you have not turned these items in and need additional copies please call the school office. They are also located on the school website under the "forms" tab. They are located on the left side of the page under "annual forms". The health form is located under the "classroom pages" in the health office tab.

School photos are scheduled for September 23rd this year. The retake day will be on Tuesday November 3rd. Papers we go home the week before.

Progress reports will go home the week of September 21st. Parent Teacher Conferences will be scheduled on October 2nd from 2:00 to 6:30PM. More information will go home as we get closer to the date.

We have a fall break scheduled for Friday, October 23rd.

We encourage parents and students to log into PowerSchool. Login information is the same as it was last year and was mailed home to each household in August. If you are new to TCCS and do not have this information or you need help logging into your account please call the school office. This site gives parents and students access to real-time information including attendance, grades and detailed assignment descriptions, and even personal messages from the teacher. With PowerSchool's powerful communication tools, everyone stays connected: Students stay on top of assignments, parents are able to participate more fully in their student's progress.

Please call the school office with any questions you may have. We are here to help.

Thank you,

Mrs. Cass
