Providing a World Class Education in a Small Town Environment

Hello Parents/Guardians,

I am pleased to announce that you have an option to purchase insurance for your child's iPad/chromebook. This is **not** a requirement from TCCS, but an option.

The company name is Securranty @ www.securranty.com/tidioutecharter You will be dealing with this insurance company if anything happens to the iPad/Chromebook.

The cost of purchasing insurance for iPads is \$44.95.

The cost of purchasing insurance for chromebooks is \$26.95.

This insurance covers Extended Warranty + Accidental Damage + Theft + Perils.

The option to buy the insurance will start on 11/16/2021 and it will end on 12/15/2021.. Once you buy the insurance it will cover your iPad/Chromebook for the rest of this school year.

Since we are starting this insurance after thirty days into the school year, you will have to send in a picture, or proof, showing that your child's device is functioning properly without any pre-existing failure or damage. **This will be asked after you buy the insurance.** So make sure that your child's iPad/Chromebook does not have any cracks in the screen or missing keys, etc.

Sincerely,

Mr. Tony Shirey
